CODE OF ETHICS

As a Founder Member of the English Toastmasters Association®, I abide by the following Code of Ethics to promote and maintain the highest possible standards of professional conduct.

- Present and supply services honestly and without misrepresentation
- Conduct myself in a professional and competent manner
- To provide professional and authoritative advice to every client
- Provide an appropriate level of availability to my client
- Maintain a reputation for giving excellent quality of service
- Work in conjunction with other professionals engaged for the event
- Refrain from discriminatory practices
- Maintain the highest reasonable levels of safety within the scope of services provided
- Hold adequate public liability insurance (Evidence can be provided on request)
- As a member of the English Toastmasters Association®, I will not do anything to damage the reputation of the Association or its membership.
